BODY WORN CAMERAS FOR PROBATION OFFICERS

With Supervisor Serna’s assistance and the Board of Supervisors approval, Probation is continuing the process to acquire Body Worn Cameras for all armed officers. This effort will increase transparency between law enforcement and the community while safeguarding the privacy of Probation’s clients.

UNIVERSAL TRAUMA TRAINING

Probation and Child Family and Adult Services are leading countywide implementation of a grant from Health Net, LLC that has supported development of a universal trauma curriculum that will be used to train multiple county departments and community-based providers. The curriculum addresses three main learning objectives:

♦ What is Community Childhood Trauma?
♦ Why Does Trauma Matter?
♦ What Can We Do?

The project utilizes a train-the-trainer model. Forty individuals employed by the County and community agencies have completed the training. Rollout will begin in January 2021.

“Thank you, Chair Serna, for your leadership in this endeavor. Your support means so much to me and to everyone in the Probation Department.”

PROBATION UNIT HANDLES EARLY PRISON RELEASES
The California Department of Corrections and Rehabilitation (CDCR) is currently applying Positive Programming Credits (PPC) to eligible inmates housed in the county jails, due to CDCR slowing down their intake process. PPC will provide 12 weeks of credit to inmates eligible as of July 9, 2020. Some of these clients are being released to Post Release Community Supervision (PRCS).

The Screening, Intake and Assessment (SIA) AB 109 Intake Unit has done an admirable job over the past several months conducting intakes and assessments on newly released clients on PRCS. They continue to work tirelessly to ensure clients released to the community are being supervised appropriately and are receiving necessary services to assist with reentry into the community.

AGE OF MAJORITY UNIT CLIENT SUCCESS
A client assigned to the Age of Majority unit for over two years has participated in the Sacramento Region Conservation Corps for education and counseling and Strategies for Change. In August 2020, the client became a fulltime employee in the kitchen at Sutter Hospital. The client has been motivated and taken advantage of the services available through the Probation Department and successfully graduated from Strategies for Change in December 2020. On December 17, 2020, the client’s probation record was terminated and sealed. The client later thanked the assigned probation officer for assistance and guidance during the past two years.

FIRST DEPUTY PROBATION OFFICER TRANSFER ACADEMY CERTIFIED IN CALIFORNIA

Probation held a Deputy Probation Officer (DPO) Transfer Academy in December. In attendance were fourteen new DPOs, four officers from Sacramento County and ten from outside counties including Alameda, Santa Clara, Placer, and Napa. Probation adhered to all COVID-19 health and safety protocols throughout the training.

DPO core curriculum is required to ensure officers meet minimum qualifications as prescribed under Section 1031 of the California Government Code and Section 1002 of the Commission on Peace Officer Standards and Training. The Board of State and Community Corrections certify DPO Core trainings, verifying Probation has the staffing, experience, and expertise to provide these trainings to sworn probation personnel. This was a significant accomplishment for Probation and for the County.

SYSTEM IMPROVEMENT PLAN

Lead agencies in collaboration with community stakeholders complete the County System Improvement Plan (SIP) every five years. The SIP outlines the County plan for improvement activities of Probation and the Department of Child, Family and Adult Services and focuses on performance outcome measures identified as priorities for improvement. The next five-year SIP will go into effect on May 30, 2022, and will thereafter be reviewed annually for progress and improvement. The next step in developing the SIP includes the County Self-Assessment and Peer Reviews, which will help drive the development of the SIP.

- Probation’s Placement Unit (Placement) is reviewing data in preparation for the final SIP Progress Report due May 30, 2021.
- Placement representatives participated in the SIP 4 Year Progress Report Planning Meeting in November via Zoom.

PLACEMENT UNIT LENDS A HELPING HAND

Placement officers worked diligently to complete paperwork for an Extended Foster Care youth whose grandmother was hospitalized. The family needed food assistance, and officers immediately connected them with the Del Paso Boulevard food closet, set-up CalFresh, provided an array of additional resources and services, and coordinated with Juvenile Field to provide a turkey for the family. The youth’s uncle thanked officers for their assistance:

"Received (turkey) Thx for going the extra mile. I told this boy he doesn’t know how blessed he is. When I grew up in south Texas, you do or do without. Thank you for always providing a helping hand!"

COMMERCIALLY SEXUALLY EXPLOITED CHILDREN UNIT SPREADS JOY

The Commercially Sexually Exploited Children (CSEC) Unit received gift cards from the Soroptimist International of Folsom El Dorado Hills. Officers also chose gifts from an inventory of donated items for distribution to CSEC youth and their families.

AGE OF MAJORITY UNIT SPREADS CHEER

The challenges of the pandemic did not discourage the Age of Majority (AOM) Unit from spreading holiday cheer. The AOM delivered toys and boxes of food to 45 families on their caseloads. The toys were received through a collaboration with the Sacramento Sheriff’s Toy Project, and the Salvation Army donated boxes of food items and frozen chickens. The greatest rewards were the smiles and gratitude from families receiving the gifts.

GIVING FROM THE HEART

Probation officers and administrative professionals donated toys and everyday items to children, teens, disabled adults, and seniors through the County’s annual Gifts from the Heart program.
YOUTH DETENTION FACILITY (YDF) DECORATES FOR THE HOLIDAYS

During the annual Winter Decorating contest, YDF residents and staff worked together to create larger than life sized displays of holiday spirit. For inspiration, each housing unit recreated a scene from their favorite holiday movie. Themes included The Polar Express, The Grinch Who Stole Christmas, Charlie Brown Christmas, The Nightmare Before Christmas, Frosty the Snowman, and National Lampoon’s Christmas Vacation. Judges picked their favorite virtually and selected Frosty the Snowman as this year’s winner.

JUVENILE DIVISION GIVES HOPE TO KIDS AT SHRINERS

Officers from the Juvenile Field division volunteered at the drive thru Shriners toy drive and donation event at Cal Expo. The California Highway Patrol, the Sacramento County Sheriff’s Office, and Fire Department hosted the event. All donations received at the event go toward patient care at Shriners Hospital.
