

Sacramento County Probation Department

Juvenile Corrections Officer (JCO) Core Training

Unit 5.0: Maintaining Security

Module 5.2: Counts

Instructional time: 2 hours

1. Welcome and introductions
 2. Objectives:
 - a. 5.2.1 Identify procedures for doing a numerical count
 - b. 5.2.2 Identify procedures for doing a body count
 - c. 5.2.3 Identify principles that are important to the effective counting of juveniles (e.g., welfare of juveniles, stop movement, never let juveniles count, etc.)
 - d. 5.2.4 Identify the procedure for responding to the absence of a juvenile
 - e. 5.2.5 Identify the general guidelines for searching for a missing or escaped juvenile
 3. Discuss consistent and thorough application of counting practices
 4. Identify procedures for doing a numerical count: Unit count versus total count
 5. Discuss procedures for doing a body count: Staff must visually observe each resident present in the unit observing "skin, head and breathing"
 6. Periodic counts, per Title 15
 7. Room check logs
 8. Unit count changes: New intake, release, rehousing
 9. Discuss the procedure for responding to the absence of a juvenile
 10. Identify the general guidelines for searching for a missing or escaped juvenile
 11. Floor plan application
 12. Floor plan goals
 13. Opening the floor plan application (JPIP)
 14. Security classification
 15. Floor plan layout
 16. Moving residents within the floor plan application
 17. Reports regarding room checks
 18. Floor plan schedule
- 
- The logo of the Sacramento County Probation Department is a large, stylized seven-pointed star. The star is primarily yellow with a blue outline. Inside the star, there is a circular emblem featuring a figure holding a scale, a bear, and a landscape with mountains and water. The words "SACRAMENTO COUNTY" are written across the bottom of the star, and "PROBATION DEPARTMENT" is written along the top inner edge.
