### **October 17, 2019: (Felon in Possession of a Firearm) (Possession of Controlled Substance for Sales) (Possession of Marijuana-Sales)**

Officers from the Adult Community Corrections Central Unit attempted to contact a probation client at his listed address. The probation client was not present, however they were permitted entry to verify his living arrangements within the home. In plain sight, officers located a semi-automatic handgun. A subsequent search of the residence produced an additional sawed-off shotgun, marijuana, a large amount of cash, live rounds of .9mm ammunition, promethazine bottles without prescriptions, and marijuana paraphernalia including digital scales. Along with the contraband, there was an 8-month old child living in the residence. Two adult subjects were subsequently arrested for various charges including: child endangerment, possession of a controlled substance, loaded firearm and possession of marijuana for sales. The probation client was located at an alternate address and also arrested for violation of probation. The infant child was taken by Child Protective Services and the case will be referred to the D.A. for drug endangered children. All three of the subjects were booked at the Sacramento Main Jail.
