  - Transition
  - Family and Community Engagement

# Student Entry into Education Programs

All youth go through a basic program that could include:

- Mentoring (youth with youth)
- Soft Skills
- Resume
- Strengths and skills assessment
- Student Interest Survey
- Strengths Training
- Interview Skills
- Wellness, Mental Health and SEL
- School Skills
- Language skills- communicate what you want and need
- Financial Literacy
- College 101

# Career Technical Education

- Agriculture (Farm to fork)\*
- Arts Media
- Computer Science
- Construction\*
- Culinary (Food Truck and Coffee Cart)\*
- Entrepreneurship ( Project Based and connected to the other pathways)
  - Sports and Entertainment Marketing

\*Requires set facilities

# Overview of Career Tech Ed Program Implementation

Career Technical Education Programs would provide longer duration of training and skill development that leads to employment opportunities

- VOYA youth access at one part of the day
- El Centro youth access in exploratory format during the other part of the day
