RE: **STAFF REPORT ON AGENDA ITEM #2**

2 – Discuss and Vote on Recommended CCP Advisory Board Bylaws

The Community Corrections Partnership (CCP) Advisory Board reviewed the draft Bylaws at the meeting on September 22, 2021 and voted to continue the matter until the next meeting. The draft Bylaws review identified areas where the words “Advisory Board” needed to be added. The draft CCP Advisory Board Bylaws recommended for approval today include this correction as well as a change in the month identified in *Article VII: Chair, Section B: Election of Officers*.

Staff recommends a vote to approve the Bylaws to move forward with efforts to conduct analysis and make recommendations to the CCP regarding updates to the AB 109 Plan for public safety realignment investments that maximize effectiveness of criminal justice resources. This action may be taken by a majority vote of those present and by not less than a majority of the quorum.
